

A learning program for **Supervisors and managers working in Child Welfare or Juvenile Justice.**

ABOUT

These learning programs are a series of workshops that highlight the five coaching skills: presence and listening, reflecting/clarifying, questioning, and feedback, and accountability. Learners practice each skill to gain proficiency and confidence in using the coach approach with their staff. Learners have the opportunity to engage in a variety of discussions, activities and practice sessions that promote and support mastery of the coaching skills. The Skill Refreshers constitute Phase I of the Advanced Coaching program. Completion of all five Skill Refreshers qualifies learners to move on to Phase II of the Advanced Coaching program. Before attending this instructor-led training, learners must complete all course prerequisites listed below.

BENEFITS

Learners will:

- Continue practicing the coaching skills.
- Receive in-the-moment feedback and support from facilitators.
- Increase their confidence and proficiency in using the coaching skills in their daily practice.

COMPONENTS

Once enrolled in the course, learners will complete:

A two-hour, instructor-led workshop for each Skill Refresher.

Completion of all components is necessary to receive a Certificate of Completion.

PREREQUISITES

Prior to attending this course, learners are required to have completed:

- All components of the Building Coaching Competency learning program (instructor-led or virtual) OR the instructor-led Building Coaching Competency for Senior Administrators course.
- At least one course within the Building Coaching Competency: Coaching Collaboratives learning program (virtual or instructor-led).

A learning program for **supervisors and managers working in Child Welfare or Juvenile Justice, or anyone who has the responsibility to guide and continually improve the performance of direct service staff.**

ABOUT

This learning program provides learners with coaching skills and strategies aimed at creating a more collaborative, strengths-based culture. The first half of the instructor-led session supports learners in understanding the steps to successful coaching and applying the coaching skills in their supervisory roles. The second half of the session uses simulations to help identify coaching skills and practice incorporating them into everyday work. Learners are not required to have prior formal coaching experience or training. Follow-up coaching support to ensure effective implementation will be available. Before attending this virtual, instructor-led training, learners must complete an online pre-test and an eLearning module introducing the coaching skills, process and mindset.

BENEFITS

Learners will:

- Be trained to practice effective strategies to create a collaborative, strengths-based culture to support their staff.
- Be trained how to integrate coaching strategies into supervision to build confidence, boost morale and encourage critical thinking skills among staff members.
- Be introduced to skills and concepts that contribute to the long-term professional development of supervisors and staff.

COMPONENTS

Once enrolled in the course, learners will complete:

An online pre-test.

A 30-minute eLearning course.

A half-day, virtual, instructor-led workshop.

An online post-test.

Completion of all components is necessary to receive a Certificate of Completion.

PREREQUISITES

A learning program for **direct service staff and supervisors working in Child Welfare or Juvenile Justice.**

ABOUT

This learning program engages learners with each other about implicit biases and how those biases contribute to racial disproportionality in the Child Welfare and Juvenile Justice systems — strengthening ACS's practices to support children and families starts from within the individual. During this virtual session, learners deepen their understanding and discuss the influences of implicit bias on institutional racism and structural inequity. Learners also practice strategies to reduce implicit bias and enhance equitable decision making in their work. Before attending this virtual, instructor-led training, learners must complete all course prerequisites listed below and an online pre-test.

BENEFITS

Learners will:

- Understand key concepts of implicit bias and causes of racial disproportionality in Child Welfare.
- Have reviewed strategies to identify one's own implicit biases and to recognize implicit bias in others.
- Have analyzed how implicit bias affects decision-making, engagement and equitable outcomes.
- Be trained to identify the connection between trauma, institutional racism, structural inequity and implicit bias.
- Be able to employ individual strategies to reduce implicit bias.

COMPONENTS

Once enrolled in the course, learners will complete:

An online pre-test.

A 6.5-hour, virtual, instructor-led training.

An online post-test.

Completion of all components is necessary to receive a Certificate of Completion.

PREREQUISITES

Prior to attending this course, learners are required to have completed the Understanding and Undoing Implicit Bias eLearning training.
