

Micro-Video #2: CARES: The Impact of Implicit Bias on Decision-making

A learning program for **all staff working in Child Welfare.**

ABOUT

This micro-video defines implicit bias and its negative impact on decision making using the Collaborative Assessment, Response & Support (CARES) approach. This video aims to help learners recognize their own implicit bias, as well as recognize examples of implicit bias in other decision makers in similar roles.

BENEFITS

Learners will:

- Identify implicit bias in their role and learn how to develop techniques to reduce it.
- Identify how implicit bias has affected their decision making contributing to disproportionality in child welfare.

COMPONENTS

Once enrolled in the course, learners will complete:

A seven-minute micro-video.

Completion of all components is necessary to receive a Certificate of Completion.

PREREQUISITES

There are no prerequisites for this course.
