

Micro-Video 7: Role of Applications in CARES

A learning program for **all staff working in Child Welfare.**

ABOUT

This micro-video introduces learners to the role of Applications as the first line of assessment in Collaborative Assessment, Response, Engagement & Support (CARES/FAR).

BENEFITS

Learners will:

- Understand how risk aversion and implicit bias play a part in deciding which track to assign a referral received from the Statewide Central Register (SCR).
- Understand how, through the collaborative process, they are supported when they are unsure of which track to assign a referral.

COMPONENTS

Once enrolled in the course, learners will complete:

A six-minute eLearning course.

Completion of all components is necessary to receive a Certificate of Completion.
