

A learning program for **direct service staff, supervisors, managers and mental health clinicians working in Foster Care services.**

ABOUT

This virtual, instructor-led learning program provides Child Welfare professionals and mental health clinicians with the opportunity to understand what Partnering for Success is, as well as learn skills to increase the practice of Cognitive Behavioral Therapy+ (CBT+) and be introduced to strategies for engaging and collaborating with collaterals.

BENEFITS

Learners will:

- Be trained in strategies for engaging and collaborating with collaterals.
- Build skills and knowledge to become informed about common Evidence Based Practices (EBPs).
- Be trained in a collaborative framework to improve outcomes for children's safety, permanency and well-being.

COMPONENTS

Once enrolled in the course, learners will complete:

A two-hour, virtual, instructor-led workshop.

Completion of all components is necessary to receive a Certificate of Completion.

PREREQUISITES

There are no prerequisites for this course.

CONTINUING EDUCATION UNITS

There are no CEUs associated with this course.

ABOUT ACS WORKFORCE INSTITUTE

The ACS Workforce Institute (WI) is a state-of-the-art professional development institute that supports child welfare and juvenile justice direct service staff and strengthens their skills as they support and strengthen New York City's families and children. Through partnership with the City University of New York (School of Professional Studies and the Hunter College Silberman School of Social Work), the ACS Workforce Institute offers professional learning initiatives that move beyond the classroom to enhance skill development for new and seasoned ACS and provider agency staff.
