

A learning program for **all Division of Child Protection (DCP) CARES staff and leadership.**

ABOUT

This micro video defines risk aversion and how it can impact the decision to offer a family a less intrusive intervention. This video aims to impress upon staff that playing it safe is not a viable strategy when determining whether a family is chosen for the Collaborative Assessment, Response and Support (CARES) approach.

BENEFITS

Learners will:

- Be able to describe how confronting risk positively impacts decision making. They will also identify strategies that align with building a safety culture.

COMPONENTS

Once enrolled in the course, learners will complete:

An 8.5-minute micro video.

Completion of all components is necessary to receive a Certificate of Completion.

PREREQUISITES

There are no prerequisites for this course.

CONTINUING EDUCATION UNITS

There are no CEUs associated with this course.
