

A learning program for **direct service staff, supervisors and managers working in Child Protection, Prevention and Foster Care.**

ABOUT

This learning program provides learners with a comprehensive review of the assessment processes for safety and risk. Learners use a real-life case scenario to conduct safety and risk assessments. As learners practice conducting assessments, they receive hands-on guidance and feedback in real time. Learners explore various tools, including critical thinking skills, to guide their decision-making in best supporting children and families.

BENEFITS

Learners will:

- Demonstrate using critical thinking skills to guide their decision-making.
- Distinguish between safety and risk.
- Identify the processes to assess safety and risk and explain why both are used.
- Receive hands-on guidance on how to conduct safety and risk assessments and obtain feedback in real time to best support children and families.

COMPONENTS

Once enrolled in the course, learners will complete:

An online pre-test.

A one-day, virtual, instructor-led workshop.

An online post-test.

Completion of all components is necessary to receive a Certificate of Completion.

PREREQUISITES
